

DO YOU WANT MORE CYCLISTS IN YOUR CITY?

No need to reinvent the wheel

The Dutch Cycling Embassy can help. Cycling might seem second nature to the Dutch but it hasn't always been that way. We want to share our knowledge and expertise in all aspects of cycling so that more cities and countries around the world can experience the advantages of cycling.

Benefits of cycling

- It increases happiness and has numerous health benefits
- It reduces traffic congestion and improves air quality
- It creates safer cities and improves urban economies
- It encourages social participation
- Cycling cities are pleasant cities

What can we do?

The Dutch Cycling Embassy represents the best of Dutch Cycling. Share your cycling challenge with us and use the knowledge and expertise that our network has to offer.

Whether your goals involve research, planning, policymaking, product development, manufacturing, construction or building, we can find the best possible partner for you from our network of private companies and consultants, NGOs, research institutions, national and local governments.

Experience
the Dutch cycling culture first hand

Think about best possible solutions and achievable results

Act by applying these solutions to your local context
